KEEP WACO

COMMUNITY · CONNECTION · COMPASSION

The community and pet-care home of Platinum Scoops. This is how Keep Waco Wagging looks, sounds, and feels — everywhere, so a Waco dog family knows us on sight.

01 — ESSENCE

Warm, local, and built around real dogs.

We are

Family-run. Inclusive & multicultural. Multi-ability & welcoming. Hands-on and present. Proudly Waco. The good-towels, kitchen-sink kind of care.

We are not

A warehouse kennel. A faceless franchise. Cold or corporate. Loud or gimmicky. An after-hours side gig. Anything that treats a dog like a number.

02 — LOGO SYSTEM

The lockup & its family

DO
Keep the serif/script pairing intact. Give it clear space equal to the cap-height of "KEEP." Let it sit on cream, sage, or rose.

DON'T
Don't swap the fonts, stretch it, add a drop shadow, recolor "wagging" to anything but rose/blush, or crowd it with other marks.

05 — VOICE & TAGLINES

"Together, we keep waco *wagging*."

Talk like a neighbor who loves dogs. Warm, plainspoken, a little playful — never salesy. Lead with the dog and the family, then the service.
